

# Pray for Us...

## A Family Prayer Request

Phyllis' father is 86 and has Alzheimer's. Since last August the disease has gotten noticeably worse, although he's still probably in the middle stages. Physically he is still quite healthy and is often able to carry on a somewhat coherent conversation on certain subjects. But he doesn't always know exactly who we are.

In any case, his condition has greatly impacted Phyllis'

mother, as well as the rest of the family, in many ways. Phyllis and I have made three trips up there (Delaware) this year to help out. We appreciate your prayers as we work with Phyllis' siblings to provide the proper care for her parents.

I am always encouraged to hear Phyllis' dad, a believer who used to sing in the church choir, still able to sing the old hymns without any problems.

## Ministry Prayer Requests

1. Pray for Gary as he continues to lead MTW's Missional Learning & Development Team.
2. Gary's visit to the MTW BEAMM team on May 13-15 went well. The team is making good progress toward implementing the suggestions we made last August.
3. Gary and colleague Rick Box (MTW Colombia) are preparing the three-day Latin America Leadership meeting scheduled for this November in Colombia.
4. Gary is working with Larry Trotter (Guadalajara, Mexico), to prepare a one-day workshop on *Preaching Christ Cross-Culturally* for the Latin America Leadership meeting this fall.
5. Pray for continued progress on Gary's data analysis for his dissertation. He is planning a trip to Mexico late this summer.
