

Laura's Lima Letter

Thank you!

December 31, 2007

Dear Friends and Family,

I want to thank each and every one of you for your faithful support of me and God's work here in Peru through your prayers, giving and encouragement. My two year term draws to a close at the end of April, and as of December 31st I will no longer need any additional financial contributions. I am very thankful to God for providing for me so fully and faithfully through you that all my financial needs are completed through the rest of my time. Thank you! Please continue in your prayers and encouragement 😊!!! And, I will continue to keep you updated as to how God is leading here in Lima, Peru. I would also greatly appreciate your prayers as I seek God's will for direction and decisions concerning the future.

May each one of you enjoy a new year full of certainty in God's promises and plans for you!

In the love of Christ,

Laura
