Volume 2, Number 3

We spoke at Ridge Presbyterian Church on February 18th. Ridge Presbyterian is a PCA church in Paradise, CA.

Raising Arizona

The three of us went to Arizona February 4th – 14th. We visited 11 churches in 11 days while on a whirlwind tour of Arizona's Reformed and Presbyterian churches. We visited with Pastors, Elders, Missions Committees, and entire congregations. It was exciting to see so many people become enthusiastic about God's work in Honduras. We received over 75 new prayer partners while in Arizona. We anticipate that after prayerful consideration several churches and families will be supporting us financially.

Mike and the Presbyterians

February 23rd – 24th Mike attended the Northern California Presbytery, which is the regional meeting of the Presbyterian Church in America (PCA). This biannual meeting includes all the Pastors and many Elders of the 25 PCA churches in Northern California, Utah, and Hawaii.

Mike was given the chance to address the entire delegation. Many opportunities were provided to share God's vision for missions in Honduras.

Support Raising Update

Our second month of support raising is complete. We have received pledges and contributions totaling 32% of our total financial need. In addition, we have received 300 requests to be added to our monthly prayer e-mail. Praise God!

Erin to North Africa

Erin will be participating in a medical mission trip to North Africa March 10th – 24th. We have been instructed not to name the country to protect the long term missionaries, short term missionaries and Christian nationals. The country is 90% Muslim and the government applies discriminatory policies to all Christians.

Erin and 15 other doctors and nurses will provide medical services at two orphanages and two temporary medical clinics.

God willing, Erin will be posting stories and pictures on our website while in North Africa. Please view our website often.

Please Pray For Us

- The focus of our support raising is on God's glory and not us
- Erin's safety in the hostile environment of North Africa
- We are given additional opportunities to speak in front of churches
- More people sign-up to contribute ongoing, monthly financial support
- The sale of our Jeep and two motorcycles to provide needed finances
