## Spanish Language Institute

Over a month ago the three of us began studying at the Spanish Language Institute here in San Jose, Costa Rica. Mike and Erin are fulltime students studying Spanish. Madison is in sixth grade with a heavy emphasis on Spanish. We are here until at least June of 2008 preparing ourselves to work with the Spanish speakers in Honduras.

Mike and Erin are in classes or studying for eight hours each day. We are doing well scholastically. Mike and Erin have been earning A grades on most of their test, and Madison is doing great in Spanish, Science and History.

Outside of class Madison is enjoying gymnastics twice a week, Erin plays piano at our school chapel and Mike will be preaching at chapel.

## Mike Travels To Mexico

On October 10<sup>th</sup> Mike will leave for a four day Missions Leadership Conference in Monterrey, Mexico. Mission to the World (MTW) organized this event for the mission team leaders from Mexico, Central America, and the Caribbean. The MTW leadership will train, listen to, and guide the missionaries serving in Latin America.

## Hurricane Hits Honduras

In September Hurricane Felix hit the east coast of Honduras as a level five storm. Over 100 people died and over 10,000 homes were destroyed as the 160 mph winds impacted nearly 200,000 people. Please pray for rapid recovery for Honduras.
