

Dear brothers and sisters in Christ,

God is constantly reminding us of His faithfulness in that he uses us, jars of clay, for the extension of His Kingdom overseas. It is very rewarding to work in Latin America where God is causing His church to grow so significantly. The challenge to prepare the leadership for these churches is great. But we are not alone, and the multiplying effect is tremendous. Thank you for your partnership which enables this to happen. You will be encouraged with the following testimonies.

More student testimonies:

1. *"Let me tell you that yesterday I had the visit of some pastor friends from another province, who are going through a serious family crisis, and thanks to the concepts and principles of the course, I was able to help them. This was a great blessing to them and to me. I greet you with respect"*

2. *"The course "Counseling in Crisis" has been of great blessing and fruit for our pastors and through them to their respective congregations. We are grateful to the Lord for what He has done through this course, and for those who prepared it. "He who wins souls is wise," says the Proverb, and this has been one of the benefits of studying with FLET. If I were to mention the quantity of testimonies, I would be writing for a long time"*

3. *"Brother Crane, I thank God for your course "How to Counsel in Crisis Situations". I have been working as a pastor in Cuba for 20 years, and with the Lord's help this course will be a great help in addressing the solution to so many problems. I very much like the didactic style in which it is presented, especially the power points. We will be praying for you and your ministry. Greetings to the FLET community*

Yours in Christ"

Revival in Cuba:

We recently received an encouraging report from Norberto in Cuba. He says the Los Pinos denomination carried out an evangelistic campaign during July, August, and September, which led to 1,736 commitments to Christ, 54 new cell groups, 967 people studying discipleship books (our colleague Richard Ramsay wrote these and helped them print them. Over 20,000 of his discipleship booklets are being used around the island), and 6,980 new people attending their services!

We haven't returned to teach classes in a couple of years now, yet it looks like things might be opening up. In the mean time, over 1,400 students are studying materials from FLET and MINTS. The church in Cuba has grown from 200,000 to 2 million in the last 6 years!!

Ongoing Prayer needs

1. That the courses I am producing and the classes that I am giving will clearly express the power of the gospel and enhance the ministry of pastors and church leaders in the Spanish speaking world.
2. That more and more students will enroll in the online courses and find this a powerful tool in their ministries.
3. That Cuba will open its doors to us again so that we may continue to encourage the church leaders in their training
4. For safety and provision for my trips
5. For financial and prayer support (We are currently \$1,900/mo under-supported).
6. For Daniel as he faces a second surgery on his right elbow in May, 2008, and as he makes decisions regarding college and future studies. (He finishes high school in May, 2008.)
7. That God will strengthen our whole family through His Grace, so as to love Him more and be filled with His love to love those He has called us to minister.
8. For our brothers in Villahermosa, MX who are recuperating from a devastating flood to their city. My trip last month was postponed to early 2008.

Thank you again for your faithful financial and prayer support in our ministry.

NEED FOR FINANCIAL SUPPORT

Please continue to pray for our support need. After more careful analysis, our monthly pledge need is actually **\$1,900 per month**. At this rate our account would be in the red in just a few more months. Yet we know God has been faithful to us through your giving. Thank you very much. Please use the following coupon:
